Maharaja Education Trust®
Mysuru

Maharaja Education Trust ®, Mysuru, (Est. 2005), comprises of learned, reputed, and well-accomplished academicians. The members of the board, the alumni of premier institutes have all served at the highest roles in the broad education spectrum of the country.

The Trust, built by the eminent academicians, believes in building resources in the form of highly accomplished and learned faculty who are committed, highly knowledgeable, and have excellent teaching aptitude. The Trust realizes that the effective learning process can only happen in the right environment and readily invests in upgrading facilities and infrastructure to the modern-day standards. The Trust strives to inculcate quality in every stage of learning with all its resources progressing towards its vision.
